Thank you so much!! I will send you my notes on Riverside, and let Chloe / Michael know that you will be reviewing for me.

Hi Heather,

Would you be willing to review this proposed plan for me? If not, it's totally fine, I will figure it out. They are asking for comments by next Thur, Jul 9 – yikes!

Cheers,  
Sun

Hi Sun. Just in time for the holiday...the Riverside Proposed Plan! We have a pretty aggressive schedule here, so ideally we would have all comments in by July 9. Please let me know if that poses any problems. The plan has been reviewed internally by the technical folks, me and ORC. Because lead is primary COC at the site, the team has consulted with the TRW on multiple occasions to ensure the evaluation and selection of PRGs is consistent with our regional lead strategy, so I think we're good on that front. Please let us know if you have any questions along the way. Thank you and enjoy the long weekend!
